

## ADRIANA

Adriana

I gave you my life

my soul

And got nothing in return

I live in misery

Waiting for your love

to arrive

to sooth my soul

My soul cries tears of blood

My heart bleed streams of sorrow

Adriana

I gave you my life

my soul

I long for a long long kiss

I pray for a prayer's chance

to love you

to care for you

to keep you under my wings

Adriana

I gave you my life

my soul

I am still waiting

under the steps of kingdom come

but I only see

the depths of hell

I am under your spell
